RE: Request NOI File #, 19 Paige Farm Road, Amesbury, MA

Dear Pam and Jim:

The applicant, Kate Hayes, submitted a substandard plan for deck construction on a residential property at the above referenced site. I have revised the plan (attached), and hope this plan is sufficient to issue a File number. The Amesbury Conservation Commission is reluctant to review the project without the file number. I hope this plan is sufficient so we can proceed with a project review from the Commission.

If you have any questions, please feel free to contact me at 978-346-9857.

Sincerely,
Wetland Consulting Services
